Department Overview

The Office of the State Auditor is established pursuant to Article IV, Section 13, of the Missouri Constitution. The State Auditor is responsible for auditing all state agencies, boards, commissions, judicial circuits, public and charter schools, counties that do not have a county auditor, and political subdivisions when requested by petition or the governor.

All audits are conducted in an impartial, nonpartisan manner, in accordance with authority provided in state statute and pursuant to *Government Auditing Standards*, issued by the U.S. Government Accountability Office (GAO). State auditors adhere to the rigorous standards of the auditing profession and exercise the highest levels of integrity and ethics. Audit findings and recommendations are based upon reliable evidence, free from preconceived notions and the influence of personal opinions.

The Office of the State Auditor is also required to review and register all general obligation bonds issued by the State of Missouri and most political subdivisions to ensure the bonds comply with both state law and the conditions of the contracts under which they were issued.

The Office of the State Auditor prepares fiscal notes and fiscal note summaries on all initiative petitions filed with the Secretary of State. If the General Assembly adopts a joint resolution without a fiscal note summary, the State Auditor's office prepares the fiscal note summary.

In addition, the Office of the State Auditor annually reviews and certifies property tax rates for all Missouri taxing authorities to ensure compliance with state law.
